Hi, Gary!

In response to the last our conversation, I have send to your attention a link to the TCEQ TRRP-16, which can be a guidance to the consultant for IC.

However, we believe we need to be involved in their following of our guidance. There are items that we should discuss at the outset to make sure they are on the correct path. Look like it was never seen the guidance followed correctly on the first try and there are some tricky pitfalls to avoid, so we really need to have this discussion/phone conference with EPA/the consultant before they do significant work.

Thanks!

Luda V.

Hi Gary –

I did not hear back on this, so I thought I would try again for next week. The Gulfco folks could do Tuesday (9/11) AM or Wednesday (9/12) AM next week. How does that work for everyone else?

Thanks.

Hi Gary –

I checked around and unfortunately neither 8/30 nor 9/4 works for all of our folks. Sorry this is being so difficult to arrange. How does 9/5 or 9/6 work for everyone?

Thanks.

Luda,

Aug 29 wasn't good for the Gulfco folks;

Everyone, how about 8/30? If not, 9/4?

Hi, Gary!

Can we ask for Aug. 29th instead?

Thanks!

Hello Luda,

Did you ever hear back from Gary? I now have a conflict on the 28th. Perhaps we could suggest the 29th instead (I am available all day)?

Hi Gary –

I checked with Tobias Smith and Liz Webb and it looks like 8/28 would be the best of those three dates for us. We cannot do 8/16 and have limited availability on 8/29. Let us know if 8/28 will work and, if so, what time you would like to have the call.

Thanks for setting this up.

Eric,

OK - how about 8/16 or 8/28, 8/29? Luda is out until next week, so we won't know her availability for these new dates until then.

Hi Gary –

Good to hear from you. Unfortunately I am not available any of those dates – I will be out of the office from 8-16 through 8-23 (back on 8-24). Would you mind proposing some other dates that I could also run by Liz Webb and Tobias Smith?

Thanks.

Folks,

Please let me know your availability for a call on the Gulfco restrictive covenants for approximately 8/20, 8/21, or 8/22.

Subject: Gulfco Monthly Status Report and Conference Call Request

Hi Gary –

Please find attached the Gulfco monthly status report for July. I am also sending you a hard copy via Fedex. Please let me know if you have any questions or comments.

As I indicated in my e-mails transmitting the last several monthly status reports to you, the Gulfco Restoration Group is interested in moving forward with the restrictive covenant revisions that you and I discussed in March. In my previous e-mails I requested a template of the language/format that you would like us to use for the revised covenants, so we can get started on that process. I am not sure if that is something that you need to get from your legal folks or not, but for the last couple of months I also asked to set up a conference call between you, me, Tobias Smith (the group's attorney taking the lead on the restrictive covenants) and your attorney taking the lead on this, so we can initiate getting these in place. Please respond with some dates when you and your legal person could be available and I will check with Tobias on his schedule.

Thanks for your help with this.
